# Continued Astounding Success

OF OUR GREAT

# BARGAIN SALE!

### LADIES:

Please remember this exceptional opportunity of securing bargains at less than original cost, will only continue FOR A FEW MORE DAYS.

Our only object for holding this sale was to make room for **NEW STOCK** now being purchased by MR. KERR and his assistant buyers, in New York. We have accomplished this beyond fondest hope.

### WE HAVE

# A FEW BARGAINS

In each department yet and in order to close out all odds lines in the next few days, we are going to offer these at prices lower than ever.

## LADIES:

Save your money by buying at our Queen St. Store.

Queen Street. Honolulu.

Lack of Passport Law Is Regretted.

### CROOKEDNESS IS COMMON

Merchants Hope for Passage of New Statute Regulating Matters.

the applicant is about to depart the Republic, leaving his wife or family unpro-

Still another of the exceptions in the law against the issuance of a passport was, "If the applicant for a passport is a defendant in a suit, civil or criminal, pending before any court in this Republic, of which the Collector shall have received

This law practically prevented one who wed debts in Honolulu or in the Hawaiian Islands from leaving the country withsome intimation being received that he was about to depart. The passport had to be procured before the steamship companies would issue transportation either to the Coast or to Japan. In all cases, where persons had resided in the Hawaii- of Mr. A. Gartenburg, assignee for the an Islands over the thirty day limit, pass- estate of Tong Kee, the following ports had to be procured. The passport ok was available to business men and they generally made good use of it. This Holokus, Netting, Sheeting, Organdies, prevented a dishonest creditor or an inarting from Honolulu.

While the law was in force many perns were loud in their protests against a statute being allowed to exist in a intry with republican government They characterized it as a relic of the narchical days, and one that should be

nd one was not compelled to take out passport before applying for steamship ansportation. The effect of the abrogathe law has been that almost up the time of the sailing of a steamer here is room on it, a person can purself, and before his friends and creditors are aware that he has shaken the dust of his wall from his shoes, the fleeing one has put hundreds of miles between himself and the police authorities, and made good

Since June 14 there have been dozens of disappearances, mysterious at first, but soon the facts showed that a shortage in (ecounts, gross cheat or a lack of funds to pay up bills, had been the incentives for leaving for other parts. Some have been "high rollers" and have lived beyond their means and salaries, and being urable to square their bills, which put in their appearance about the first of each month with pertinacious regularity, the creditor made his escape before that time of the month. In the last three months bookkeepers, young business men, collectrs, from Honolulu, from Hilo, from the dand of Maui, and, in fact, from every and in the group, have been recorded usiness men are determined that

business and are often duped. They willing to trust Islanders from month n for an unlimited period of time

ing the Organic Act into effect was

ld cancel a passport after he had isrepresentation, or that the permission to leave the country would work great wrong or injustice to the Government or to any individual. When such cancellation was made the Collector was required to give written notice of his action to the Crime of the sort characterized as

bezzlement, absconding, fraud or gross has been on the increase in the quarters. Islands since June 14. Surveillance of the the introduction of United States Customs guards, so that they are unable to keep close watch on intending defaulters and

unsatisfactory conditions regarding ers, there would be less likelihood of their being left in the lurch, say merchants. A prominent business man gives it as his opinion that concerted action will result in presenting a petition to the Legislature, asking for the introduction of such

a law or laws. A well-known lawyer was asked last etening for an "off-hand" opinion on the subject of the Legislature's right to revive the old passport law. "I do not be-lieve that if such a law were passed that it would be upheld by the courts," said

Dales such a law in Call-I do not believe that any such law will town side of Bishop's switch, Walkiki. be passed by the coming Legislature, and my decided opinion is that if such a law were passed that it would be held uncon-
